Welcome to the Rheezer Bistro, it is lovely to have you here. The Rheezer Bistro has existed since the year 2000. A hidden gem, situated at the back of the farmhouse, with its own private courtyard. A delightful, intimate atmosphere under the vaulted ceilings, welcoming and stylish.

Our chef introduces himself

My name is Nick van Swaal and since 2021 I have been the proud head chef of the Rheezer Bistro. Cooking has been my great passion for over 20 years, born from my love of food. I love dishes where the ingredients really come into their own. Wherever possible, I always work with local, fresh products. After all, good things don't have to come from far away. My cooking style is a mix of classic dishes, influences from other countries, and a touch of the Vechtdal. I wish you a wonderful time at the Rheezer Bistro.

Let the Chef surprise you with their culinary delights
